

I hereby request San Isabel Electric Association, Inc. (San Isabel Electric) to supply electric service to the service address specified above. I/We, Applicant, jointly and severally, agree to pay for all service provided to the address or any other address to which I request service, until proper notice of termination of service is received by San Isabel Electric, and in accordance with the applicable rate schedules authorized by law. I will comply with all rules, regulations, and policies of San Isabel Electric and I certify that all information set forth in this application is true.

I understand that this application for service is not complete nor effective until I have furnished San Isabel Electric with all necessary detailed electrical load data for the proposed service on forms supplied herewith by San Isabel Electric and that San Isabel Electric is under no obligation to commence construction or installation of any service or order any equipment or material therefore or until a contract is signed and advance monies paid, if required by San Isabel Electric.

I further agree that by making this application, Applicant will indemnify and hold harmless San Isabel Electric against direct or consequential damages for any delay in instituting service caused by: failure of the customer to supply data as required; delay in delivery of material, supplies, and equipment; failure of applicant to sign a contract for service, other than the application and furnishing of data, if required by San Isabel Electric, caused by contractor or acts of God or conditions of weather, or delays beyond the control of San Isabel Electric, and delays that are the result of the ordinary course of business.

I hereby agree to permit authorized agents of San Isabel Electric free access to the property and premises of this consumer for the purpose of inspecting, repairing, or removing property of San Isabel Electric. San Isabel Electric shall have the right, but shall not be obligated, to inspect any installation before electric service is introduced, or at any later time, and reserves the right to reject any wiring or electric apparatus not in accordance with the standards; but such inspection or failure to inspect or reject shall not render San Isabel Electric liable or responsible for any loss or damage resulting from defects in the installation, wiring or electrical apparatus or from violations of San Isabel Electric rules and regulations, or from accidents which may occur on the consumer's property or premises. I hereby certify that, I, as an individual, on in any trade name, do not now or previously, owe San Isabel Electric for power used. I further certify that I am not a member of a household or a representative of anyone, now or previously, owing San Isabel Electric for power used. I/We represent that if applicant is a Corporation, that the individual signing will be responsible for charges as well as the Corporation. I understand that misrepresentation of the facts in this matter is grounds for immediate discontinuance of electric service.

The state sales tax auditor had determined that account names that do not appear to be personal/individual names (with the exception of residential rental units) will be considered commercial and therefore taxable. Be certain your name complies.

Tax Exempt Certificate # _____

Ebill - Online access to billing data - Members can view account data and/or receive email bill notification by registered in on the siea.com website. payment options are also available.

Terms of Payment - Bills be will mailed a minimum of ten (10) days prior to the due date as shown on the bill. Failure to receive a bill in no way exempts the members from payment for the service rendered during that billing period.

Payment Options - Mail check and bill stub using Postal Service; online check or credit card via siea.com website; online check via member bank; recurring credit card payments; bank draft; at a local retailer; or pay at one of the available district area offices.

Bank Draft - The automatic payment plan can be implemented by supplying an Authorization Agreement to have funds withdrawn on the 15th of each month. There is no charge and Bank Draft can be terminated at any time. Bank Draft can also be initiated online.

Delinquent Policy - The bill will become delinquent if not paid and received by San Isabel Electric by the close of business per the due date printed on the monthly bill. A late fee will be added to each account which is not paid in full by the delinquent date and by such, causes a delinquent notice to be sent to the member.

Members not having remitted payment prior to the delinquent date will be mailed a final notice advising them that if payment is not received in five (5) working days, service will be subject to disconnection.

If the member fails to pay or make arrangements for payment in accordance with the provisions of San Isabel Electric Tariffs, service will be discontinued without further notice.

In the event a member desires restoration of service after discontinuance for nonpayment, a reconnect fee will be added to the delinquent amount if performed during regular business hours. Reconnection outside of regular business hours, at the request of the member, will add an additional after-hours fee.

Connect Fee - The connect fee is non-refundable.

Deposits - A deposit is required to initiate service. Additional deposits can be required for poor credit/payment history. Deposit(s) will be refunded when service is terminated.

Meter Malfunction - If a meter is found not to register, to register intermittently, or to partially register for any period, SIEA will estimate a charge for the kWh used by averaging the amounts registered over similar periods, or over corresponding periods in previous years or using such other acceptable information that is available.

Benefit of Service - Tariff provisions and San Isabel Electric policy do not allow electric service to persons that have not paid prior balances due. All such balances must be paid in full before electric service will be provided.

An act of subterfuge shall not result in relieving the consumer of this obligation for service rendered. Subterfuge includes, but is not limited to, the use of fictitious name by applicant for service to avoid paying prior indebtedness to San Isabel Electric; or an applicant requesting service at a given location in the name of another party by a consumer whose account is delinquent and who continues to reside at the premises.

Each person of full legal age who resides at the premise to which service is delivered shall be deemed to receive benefit of service supplied and shall be liable to San Isabel Electric for payment, whether or not service is listing in their name. The primary obligor for payment is the applicant or user in whose name service with San Isabel Electric is listed. San Isabel Electric is obligated to pursue reasonable and timely efforts to affect payment by or collections from applicant or user of record. In the event such efforts are unavailing, it will be necessary for San Isabel Electric to transfer the indebtedness to another user of record. San Isabel Electric shall give prior written notice to said user.

Red Flags Rule Mandated by the Federal Trade Commission - Because of this rule and the related policy, member may be asked to provide additional information and identification when making inquiries regarding your service/account, in order to combat identity theft. Please be patient with us as we work to ensure that we are compliant with the FTC rules.

Disconnect - Member is responsible for service provided until and unless you notify San Isabel Electric that you no longer wish to receive service at your present address. At least three (3) days prior notification is required when you disconnect service in your name.
