Doris Morgan is a retired congressional staffer with 21 years of experience. She began her congressional work in 1990 and retired in 2014.

Her expertise was in public awareness, problem solving and working through the red tape within federal agencies and Congress. She was well known in the sixteen county area as the "go to" staff person to get assistance.

Ms. Morgan successfully completed numerous educational classes while working in the U.S. House of Representatives and the Senate to expand her knowledge on the operations of congressional offices and Congress. She is a Credentialed Cooperative Director, Board Leadership certified, and holds the Director Gold Credential from the National Rural Electric Association. These have assisted her in building

knowledge and to govern in board capacities. She currently serves on the Rural Community Assistance Corporation Board of Directors. (RCAC).

Her work in serving Colorado Members of Congress, San Isabel Cooperative Board, Action 22 President, and Colorado Boys Ranch Board Foundation has led to a higher level of communication and trust with constituents, electric consumers, co-directors and associates.

Ms. Morgan has been acknowledged for her networking and rapport within Pueblo West and throughout SE Colorado. Her desire is to continue learning, to work and serve in a manner that will benefit the Pueblo West San Isabel Electric consumer-members and community.
