

Plug-in Electric Vehicles

\$500 Member Rebate

Effective 1/1/24 through 12/31/24.

A Smart Transportation Choice

Electric Vehicles (EV) Cost Less To Operate Than Gas Powered Cars.

EV operation can be three to five times cheaper than gasoline and diesel powered cars, depending on your local gasoline and electric rates.

EVs Are Environmentally Friendly.

EVs have no tailpipe emissions. The power plant producing your electricity may produce emissions, but electricity from hydro, solar, nuclear or wind-powered plants is generally emission-free.

Never Go To The Gas Station Again.

Electric vehicles do not require gasoline and can be charged at home with a standard 120V outlet or a 240V level 2 charger can be installed for faster, more efficient charging.

EV Performance Benefits.

Electric motors provide quiet, smooth operation, stronger acceleration and require less maintenance than gasoline-powered internal combustion engines.

EV Driving Range & Recharge Time.

EV range is typically around 80 to over 330 miles on a full charge. The average American's daily round-trip commute is less than 30 miles. Fully recharging the battery pack can take four to eight hours. A "fast charge" to 80% capacity can take 30 min.

EMPOWER

All products are eligible for Empower financing. Let us help you bundle upgrades and meet all of your energy goals in one package. Invest in your home, in your comfort, and begin generating energy savings from day one.

- On bill financing
- Low interest rates
- Loans starting at \$500
- 2 to 20 year terms
- No money down
- Tax accommodations
- Up to 100% financing
- No fees

Plug-in Electric Vehicles \$500 Member Rebate

Effective 1/1/24 through 12/31/24.

Must be on time of day rate, or sign up at during rebate application process, to qualify for this rebate.

With the average range of electric vehicles (EVs) now up to 181 miles, these vehicles are an optimal money and carbon saving option for the average southern Colorado commuter. If your household has more than one car, having a gas-powered vehicle for longer trips and an EV for nearly all daily commuting can pay off quickly!

REBATE REQUEST FORM

Please allow an additional 30 days for paper form processing. To fill out this form online, visit sieweb.com/empower/#rebates. Having trouble locating required info or have other questions? Call 719-647-6250.
